**The Middle School Youth Center  
at the  
Danvers Community YMCA**

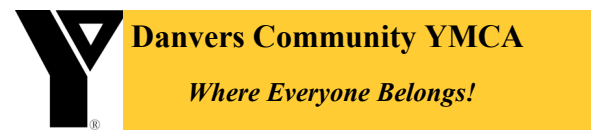

The Youth Center at the Danvers YMCA offers NEW hours that meets your family needs. Our program has quality programming such as homework help, recreational swimming, sports, field trips, Fitness Center use and training, and computers. We offer more field trips than any other after school program in the area. Children also have the opportunity to enroll in other youth programs offered at the Danvers YMCA while attending the Kids Club program.

YMCA Youth Center helps each child develop to his/her fullest potential, focusing on the four core values of caring, honesty, respect, and responsibility. Our Youth Center offers more than "childcare" Each afternoon is carefully planned to achieve a balance between homework and a child's desire to be socially active. The Youth Center is also a positive alternative to afternoons filled with television and just hanging out. Children who do not participate in sports or other after school activities may enjoy spending a few afternoons at the YMCA being led by qualified staff in a well rounded program.

Licensed by the MA Department of Early Education and Care (EEC), enrollment is limited to achieve a nurturing environment where every child will feel welcome.

YMCA  
We build strong kids,  
strong families, strong communities.
